Purpose

The VET Teacher Qualifications and Competency Policy details the training, assessing and vocational qualifications and competency requirements for staff delivering and assessing the University's Vocational Education and Training (VET) and VCAL Programs.

The University is committed to, and values highly skilled teaching staff. As such the University requires and supports staff to pursue higher levels of teaching and assessing qualifications. In addition to this, the University requires staff to maintain current vocational competence and engagement with industry.

The University strongly encourages VET and VCAL teaching staff to acquire higher level qualifications in teaching at degree level or higher.

The VET Teacher Qualifications and Competency Policy also ensures compliance with regulatory requirements.

Scope

This Policy applies to all VET and VCAL Teachers training and/or assessing the University's VET and VCAL programs or courses, regardless of the nature of their engagement and where and how training and assessment occurs. This includes, but is not limited to: permanent, contract and sessional staff, staff at Partner Providers and at third party providers both on and off shore.

**Policy Statement**

The quality of VET and VCAL programs is directly impacted by the qualifications and competence of the staff delivering and assessing the qualifications and courses. This Policy ensures only appropriately qualified and competent staff deliver and assess qualifications/courses and is based on legislative requirements.

**Staff delivering and assessing the University’s VET and VCAL programs and courses must meet the following requirements:**

1. Hold the TAE40110 Certificate IV in Training and Assessment (or its successor) from the TAE Training and Education Training Package, a diploma or higher level qualification in adult education.
2. Training & Assessment qualifications must include the specific LL&N unit (TAELLN411 address adult language, literacy and numeracy skills); by 31 December 2018 all VET teaching staff must also hold one of the following units:

- TAEASS502 – Design and develop assessment tools
- TAEASS502A – Design and develop assessment tools
- TAEASS502B Design and develop assessment tools;
- **Note:** Application for credit, through the University, for the completion of similar units from previous study will not be accepted for the above units. Teaching staff must have completed one of these units or be undertaking TAEASS502 to meet regulatory and University requirements.

3. Hold relevant vocational competencies at least to the AQF level of the qualification being delivered or assessed;

4. Meet any specific Training Package / licensing requirements;

5. Demonstrate current industry skills directly relevant to the training / assessment being provided;

6. Through professional development activities, continuously develop and improve their:

7. • Vocational Education and Training (VET) knowledge and skills that informs their training and assessment
  • Vocational knowledge and skills relating to their relevant industry, and
  • Trainer/Assessor knowledge and skills;

8. Victorian Institute of Teaching (VIT) Registration – for staff delivering VCAL Strand Units;

9. Hold a current WWCC (for any exclusions and / or exemptions refer to the Working With Children (WWC) Check Procedure); and

10. Staff delivering any qualification from the TAE training package or its successor must hold:

11. • TAE5011 – Diploma of Vocational Education and Training or its successor; or
    • TAE50211 – Diploma of Training Design and Development or its successor; or
    • A higher level qualification in adult education.

Evidence demonstrating compliance with the above requirements must be uploaded by teaching staff onto the University HR Management System (Empower) if they are responsible for delivering and/or assessing the University's VET/VCAL programs.

Qualification and vocational information for VET teaching staff must also be recorded in the Skills First Register of Trainers and Assessors.

This includes, but is not limited to ongoing, contract, and sessional staff at Partner Providers and staff at Third Party Providers both on and off shore. Staff at Partner Providers and at Third Party Providers on and off shore will need to follow a similar process of recording their qualifications with their respective employers.

All new sessional and contract trainers and assessors of the University must hold TAE40110 Certificate IV in Training and Assessment (or its successor) prior to commencement of training and assessment.

For VCAL courses, all new sessional and contract teaching staff must also have VIT registration.

**Supervision and Co-assessment**

All new sessional and contract trainers and assessors employed by the University must hold at least the TAE40110 Certificate IV in Training and Assessment (or its successor) prior to commencement of training and assessment.

In exceptional circumstance and only with prior written approval from the DVC Academic, trainer/assessors may work under supervision if they are currently enrolled in a qualification from the TAE training package (or its successor) or a higher level qualification in adult education, and hold all other Skill Sets and industry currency requirements.
For VCAL courses, all new sessional and contract teaching staff must also have VIT registration.

Industry experts may be involved in the assessment judgement, working alongside a trainer/assessor to conduct an assessment.

As part of the formal industry engagement requirement of the 2015 Standards, the inclusion of industry experts is the only approved practice for utilising supervision and co-assessment arrangements.

Arrangements must be established to ensure qualifications are delivered and assessed by appropriately qualified staff in accordance with this Policy. Evidence of this appropriateness must be maintained as per requirements described in the Record Keeping section of this Policy.

Further Development of VET Teaching Staff

Opportunities for training, industry release and staff development will be made available to increase the vocational skills and pedagogical knowledge of VET and VCAL teachers, and to engage with industry and broaden the areas in which individual teachers are qualified and competent to train and assess.

The University seeks to up-skill it's VET and VCAL teachers and strongly encourages the attainment of degrees or higher qualifications in education and training.

Professional development relates to the individual and qualifications, therefore formal professional development records must be documented on the following:

1. Individual work plans as part of the Performance Review and Development Program;
2. Updated on the Trainer Skills Matrix for each qualification taught; and
3. Recorded in the Skills First Register of Trainers and Assessors.

Evidence of qualifications and certificates must be formally cited by the Education Manager/Coordinator and uploaded on Empower HTTP://ubess.ballarat.edu.au/empower as part of the individual teacher's personal information file.

The Performance Review and Development Program Policy and Procedure will be utilised to identify, plan and record evidence relating to professional development in training, assessment, current vocational competencies and teaching. VET and VCAL teaching staff will be expected to undertake a minimum level of professional development each year.

VTG trainers and assessors may be required to undertake specific professional development as directed by the Department of Education and Training.

Register of Trainers and Assessors

The Department of Education and Training requires all RTOs to establish and maintain a Register of Trainers and Assessors. In accordance with the Skills First Funding Contract this Register must contain the following information for each individual employed by the University to train and / or assess for vocational education and training, including those engaged through a sub-contractor:

- the individual’s name;
- whether the University engages the individual as a trainer or assessor, or as both;
- which qualifications the individual will be delivering training and / or assessment;
- the title of the highest qualification in training and assessment that the individual has obtained, and the date on which it was obtained;

Warning - Uncontrolled when printed! The current version of this document is kept on the FedUni website.
• details of the individual’s vocational competencies for each industry area in which they will deliver qualifications, being either:
  • the title of the highest qualification in each industry area that the individual has obtained that is at least of the level being delivered, and the date on which it was obtained; or
  • confirmation that their vocational competencies have been mapped and determined to be equivalent to the level being delivered;
• details of the individual’s current industry skills that are directly relevant to the training and / or assessment being delivered;
• details of the individual’s participation in professional development, including:
  • in the fields of the knowledge and practice of vocational training, learning and assessment, including competency based training and assessment;
  • the individual’s participation in professional development related to online delivery; and
• whether that trainer or assessor is involved in the delivery of qualifications / courses on the Foundations Skills List or Training and Assessment Course List; and

Records Management

It is recommended that all VET and VCAL trainers and assessors complete / update the VetTAC (VET Training and Assessment Checklist) at least annually. The Trainers Skills Matrix is also completed/updated annually for each qualification and the trainer must provide current qualifications and industry currency in relation to each unit of competency taught.

Documentary evidence confirming vocational qualification(s) , training and assessment qualification(s) and any professional development must be sighted and retained in each staff member’s file; this includes evidence such as transcripts, testamurs and / or industry associate membership cards.

On commencement with the University (or after 1st pay period to access Empower) all staff must upload (cited and signed by Supervisor) copies of their formal qualifications, licenses and competencies directly to the Human Resources portal, Empower.
