**Collection of your data:** Federation University Australia is required to provide the Department with student and training activity data. This includes personal information collected in the Federation University Australia's enrolment form and unique identifiers such as the Victorian Student Number (VSN) and the Commonwealth's Unique Student Identifier (USI).

Federation University Australia provides data to the Department in accordance with the Victorian VET Student Statistical Collection Guidelines, available at [www.education.vic.gov.au/training/providers/rto/Pages/datacollection.aspx](http://www.education.vic.gov.au/training/providers/rto/Pages/datacollection.aspx)

A student's USI may be used for specific VET purposes including the verification of student data provided by Federation University Australia; the administration and audit of VET providers and programs; education-related policy and research purposes; and to assist in determining eligibility for training subsidies.
