Approval and Review of a Working from Home Arrangement

Home-Based Work Agreement

Each request for a Working from Home Arrangement must be considered on a case-by-case basis and approved by the Staff Member’s Manager.

Before the University will approve a Working from Home Arrangement, a Staff Member must comply with the requirements set out in the Working From Home Agreement (including Schedules 1 and 2).

The Manager and/or Head of School/Section/Directorate may make such modifications (in consultation with the Staff Member) as considered necessary to the Working from Home Arrangement to ensure the Staff Member can satisfactorily carry out his/her duties from home, prior to approval of the Working from Home Agreement.

A Working from Home Arrangement will have a clear Commencement Date and End Date.

The following procedure should be followed for approval of a Working from Home Arrangement:

1. The Staff Member must complete and sign the Working from Home Agreement.
2. The Manager and the Staff Member's Head of School/Section/Directorate must approve the Working from Home Agreement.
3. The Agreement once signed and approved (including the approval and signing of Schedules 1 and 2 to the Agreement by the relevant designated officers), must be forwarded by the Staff Member's Manager to Human Resources to attach to the personnel file of the Staff Member.

Where a Working from Home Arrangement is not approved, the Supervisor will discuss the non-approval with the Staff Member and provide clear reasons for the decision. A record of the non-approval and the reasons for non-approval must be forwarded in writing to the Manager to Human Resources to attach to the personnel file of the Staff Member, and a copy will be provided to the Staff Member.

Review of a Working from Home Arrangement

At each Review Date, the Manager must, in consultation with the Staff Member, review the continued suitability of the Working from Home Arrangement. The review must assess the impact of the Working from Home Arrangement on the Staff Member and the School/Section/Centre/Directorate.

At each Review Date, the Staff Member must complete and submit for approval by the relevant designated officers an updated Working from Home Arrangement Self Assessment Checklist: Occupational Health & Safety and Other Considerations (Schedule 1 of the Working from Home Agreement) and an Asset and Equipment List (Schedule 2 of the Working from Home Agreement).

As a consequence of a review of the Working from Home Arrangement, the Manager may, after taking into account all considerations, vary or terminate the Working from Home Arrangement upon reasonable notice to the Staff Member.

Reasonable notice should be no less than four (4) weeks if the agreed period for working from home was six (6) months or more; and no less than two (2) weeks if the agreed period for working from home was less than six (6) months.

Managers may seek advice from Human Resources or Equity and Equal Opportunity at any step of the process in approving, modifying or denying a proposed Working from Home Arrangement.
Terms and Conditions of a Working from Home Arrangement

The following terms and conditions will apply to all Working from Home Arrangements. In entering into a Working from Home Agreement, the Staff Member indicates his/her acceptance of the following terms and conditions:

Occupational Health and Safety

Prior to approving a Working from Home Arrangement, the Manager must ensure the Staff Member receives education in occupational health and safety matters relevant to the work that the Staff Member will be carrying out in the Home Office, including ensuring the Staff Member is familiar with the content of the University’s Occupational Health and Safety Manual.

The Staff Member must ensure that the Home-Office complies with occupational health and safety requirements at all times. The Staff Member is responsible for all costs associated with compliance.

The following procedure must be followed in relation to the Working From Home Arrangement Self Assessment Checklist: Occupational Health & Safety and Other Considerations (Schedule 1 of the Working from Home Agreement):

1. The Staff Member must complete and sign the Checklist prior to approval of the Working from Home Arrangement. The Staff Member must complete and sign an updated Checklist at each Review Date and/or if the location, facilities or equipment of the Home-Office changes in any substantial manner.
2. The Manager and the Staff Member’s Head of School/Section/Directorate must sign and approve the Checklist.
3. Once approved by the Manager, a copy of the Checklist and Working from Home Agreement must be returned to the Staff Member. The Manager must forward the original completed Working from Home Agreement and associated documents to Human Resources within ten (10) days of approval for attachment to the personnel file of the Staff Member.

Prior to approval of a Working from Home Arrangement or at a Review Date, the Staff Members Manager, may deem it necessary for a Site Inspection to occur.

This may occur in situations where the Manager, as a result of reviewing the completed Checklist and following discussions with the Manager, Risk Health and Safety (or representative), deems the Home-Office unsatisfactory for the proposed Working from Home Arrangement.

The Representative of the Manager, Risk Health and Safety can be no less than the Co-ordinator, Occupational Health and Safety.

If a Site Inspection is deemed necessary, the Staff Members Manager will notify the Staff Member of the need for a Site Inspection within the ten (10) working days timeframe for approval. The Manager will engage a Qualified Representative to carry out the Site Inspection at a time to be mutually agreed with the Staff Member upon no less two (2) business days notice to the Staff Member.

A report of the Site Inspection including any items to be actioned before approval of the Working from Home Arrangement can occur must be provided to the Staff Member and the Manager within five (5) working days of the Site Inspection taking place. The original report will be forwarded to Human Resources by the Staff Members Manager to attach to the personnel file of the Staff Member.

The Manager, Risk, Health and Safety (or representative) will provide guidance on completing the Checklist and the minimum requirements needed for a Home Office to comply with OHS requirements.

The Manager, Risk, Health and Safety (or representative) will provide, on request, a list of preferred Qualified Representatives to the Staff Members Manager, for the purpose of undertaking Site Inspections where it has been deemed necessary. The Manager in the School or Portfolio is responsible for arranging for the Site Inspection.

The Staff Member must cooperate fully with the University in all measures regarding any Site Inspection and to ensure the Home-Office complies with occupational health and safety requirements.

The Staff Member must notify his/her Manager as soon as practicable and in accordance with Section 4 of the University's of Incident and Emergency Management Procedure – Reporting and investigating incidents and emergencies any work-related accident, injury, illness or disease which occurs as a result of the Working from Home Arrangement by means of a completed Injury Report or Hazard/Near-Miss Report (as appropriate).

The Working from Home Arrangement may be suspended where an accepted workers compensation claim is active and/or a Return to Work Program is in place or where medical evidence indicates the Staff Member is unfit to work.

The Working from Home Arrangement may recommence when the staff member is certified fit to return to their normal duties or where the University agrees to continue the Working from Home Arrangement as part of the Staff Members suitable duties in a Return to Work Program.

Any period suspension of the Working from Home Arrangement due to an active workers compensation claim and/or return to work plan will not be added to the End Date of the Working from Home Agreement.
