Purpose

This procedure describes the Federation University Australia/TAFE process for the establishment and delivery of Vocational Education and Training Delivered to Secondary Students (VETDSS) programs.

It is the responsibility of Federation University Australia, regardless of the delivery arrangements, to ensure delivery, assessment and quality procedures meet the national Vocational Education and Training (VET) standards as regulated by the Australian Skills Quality Authority ASQA.

Scope

This procedure applies to all VETDSS programs where the University/TAFE is identified as the RTO. This includes programs where the University/TAFE and a Secondary College jointly deliver the VETDSS program, programs entirely delivered by the University/TAFE, and programs auspiced by the University/TAFE and delivered entirely by the Secondary College.

It includes -

- Establishment of a new VETDSS program.

- Delivery of a VETDSS program.
- Auspice of a VETDSS program.
- Federation TAFE partial or whole delivery of a VETDSS program.

Definitions

Term	Definition
Student Management System:	Federation University Australia's student management system.
Auspice:	An arrangement between a Secondary School or School Cluster and the University where the Secondary School delivers the VET program entirely. The University has responsibility for quality assurance and issuing of the awards. Requirements of the auspice arrangements are specified in the VETDSS Agreement.
Standards for NVR RTOs:	Standards for National Vocational Education and Training Regulator (NVR) Registered Training Organisations: are the legislative instruments used for the regulation of vocational education and training. They are designed to provide nationally consistent, high-quality training and assessment services in VET. These Standards are enforceable and are regulated by the Australian Skills Quality Authority
School Cluster:	A group of Secondary Schools working together cooperatively to increase access to VET programs for students.
Cluster Coordinator:	Officer employed by Cluster to be first point of contact between Secondary Schools and RTO.
University Faculty Delegated Approval Officer:	University personnel approved by Director, Skills and Education Delivery/ relevant Head of Centre with authority to authorise enrolments, amendments to enrolments, and applications for awards.
Agreement:	VETDSS Agreement between University and Secondary School outlining the rights and duties in relation to the delivery/auspice of a VETDSS Program.
Federation TAFE VETDSS Coordinator and Apprenticeship / VETDSS Liaison Officer:	First point of contact for Secondary Schools or School Clusters wanting to establish a VETDSS program with the University. There are two VETDSS contacts, one based at the SMB Campus (Coordinator, VETDSS and School-based Apprenticeship Training) and the other at the Horsham Campus (Apprenticeship/VETDSS Liaison Officer).
HESG:	Higher Education Skills Group. http://www.education.vic.gov.au/
Scope of Registration:	The defined scope for which a training organisation is registered that identifies the particular services and products that can be provided. Federation University Australia's Scope of Registration may be viewed at: http://www.training.gov.au
Secondary School:	A Secondary School or College.

Shared delivery of a VETDSS program:	Is an arrangement between the University and the Secondary School for a Secondary School to deliver components of training. Details of the delivery arrangements are specified in the VETDSS Agreement.
VETDSS Proposal:	Details the training arrangements that have been negotiated between the Secondary School or School Cluster, and the RTO to facilitate the attainment of competencies for a particular qualification. These arrangements include: the selection and sequencing of units of competency and nominal hours of delivery.
VETDSS:	<p>Vocational Education and Training Delivered to Secondary Students (VETDSS). VET in the VCE or VCE VM allows students to include vocational studies within their senior secondary certificate. Students undertake nationally recognised training from accredited national training packages which may contribute to their VCE and/or VCE VM. There are two ways VETDSS programs can provide credit towards the VCE or VCE VM</p> <ul style="list-style-type: none"> • Approved suite of VETDSS programs designed to deliver a 1-2 & 3-4 sequence and which may have an external exam attached for an extra study score. • Block credit Recognition where students undertake a qualification not on the approved list. Credit is awarded on the basis of achieving units of competency and AQF level of units. http://www.vcaa.vic.edu.au
RTO:	Registered Training Organisation: Training organisation registered by a registering body in accordance with the ASQA, within a defined scope of programs.
VCAA:	Victorian Curriculum and Assessment Authority is an independent statutory body responsible to the Victorian Minister for Education, serving both government and non-government schools. http://www.vcaa.vic.edu.au
