Purpose

Placement opportunities are an important component of employability, engagement and skills development in Higher Education HE and Vocational Education & Training (VET) learning and teaching environments. This procedure and its associated documents are necessary to clearly define the University's overarching approach in the delivery and monitoring of all Placement units.

Scope

This procedure relates to all Higher Education & VET placements/work based training (placements) excluding those listed below. Placement is defined as any arrangement where students undertake agreed learning in an external workplace. Placement terminology includes, clinical placement, field education, professional experience, internships, placement, cadetships, Co-op paid placements, Work Based Training and Practical Placements undertaken as a requirement or an option of a course and/or unit of study.

This procedure does not apply to:

- Vocational Education & Training delivered to Secondary Schools (VETDSS) program delivered as part of a third party agreement with a Secondary School which undertake the training and assessment;
- Apprentices and trainees employed under a training agreement.
- Volunteering opportunities
- Fieldwork/excursions
- Exchange arrangements

Definitions

- Note: definitions throughout this Procedure can be accessed via the Policy Glossary.
- A further list of definitions specifically relevant to this procedure is included below:

Term	Definition
Placement	An assessable component of a qualification, designed to provide students with opportunity, and the means, to apply skills and knowledge obtained through the study of their qualification in a supervised and authentic environment.
Workplace supervisor	The key contact person employed by the placement provider organisation who will provide or organise appropriate supervision for the student during placement. In some instances, workplace supervisors may be provided by the University where appropriate supervision is not provided by the placement provider in order to meet accreditation requirements (ie field liaison, clinical educators).
Placement provider	Workplace providing placement opportunity to Federation University students.
Academic Supervisor	A Federation University staff member allocated to provide support to student whilst on placement. Includes roles such as clinical coordinators, field education coordinators etc.
Unit Coordinator	Academic staff member responsible for the approval of placement appropriateness to ensure learning outcomes are consistent with course/unit requirements. Includes roles such as clinical coordinators, field education coordinators etc.
Program Manager	TAFE staff member responsible for delivery of programs.
Co-operative Placement team	A central administration team to administer placements for the University.
TAFE Teaching Staff	Federation University staff member employed to teach VET qualifications and/or provides support to student whilst on placement.
Academic Staff	Federation University staff member employed to teach Higher Education courses and units.
Authorised placement systems	Includes in place, Co-op placement portal, CRM.

Actions

1. Maintain university infrastructure for management of placements

	Activity	Responsibility	Steps
A	Ensure adequate and appropriately trained human resources to manage, supervise and administer placements	Director – Co-operative Placements Executive Deans/ Dean/Director	<ol style="list-style-type: none"> 1. Develop roles & responsibilities 2. Allocate and monitor workload
