3. Students with unclaimed credit amounts greater than \$100AUD will be notified in writing of their credit amount if the student's program status is inactive for more than one (1) semester. Refund Appeals Process

A student who is dissatisfied with the outcome of an application for a refund has the right to request a review of the decision. The student must make this request in writing within 28 days of receiving the initial decision, to the University Review Officer:

*Federation University Australia
Attn: Manager, Student Finance
PO Box 663
Ballarat VIC 3350

The student must set out the reasons for requesting a review of the decision and provide any relevant supporting documentation. Each request for review will be considered on its merits in conjunction with the supporting documentation provided. The supporting documentation should provide enough detail for the University Review Officer (Manager, Student Finance or delegate) to make an informed decision regarding the request for review.

The review process will commence within 10 working days of lodgement of the request for review and the University Review Officer will provide written acknowledgement of receipt of the request. Once a decision has been made the University Review Officer will notify the student in writing of the decision and the reasons for making the decision.

The decision of the University Review Officer is final and there is no further avenue of appeal within the University. If a student wishes to take the matter further then they have the right to access the external complaints and appeals process of the Victorian Ombudsman.
