Victorian Government VET Student Enrolment Privacy Notice

The Victorian Government, through the Department of Education and Training (the Department), develops, monitors and funds vocational education and training (VET) in Victoria. The Victorian Government is committed to ensuring that Victorians have access to appropriate and relevant VET services. Any personal information collected by the Department for VET purposes is protected in accordance with the Privacy and Data Protection Act 2014 (Vic) and the Health Records Act 2001 (Vic).

Collection of your data: Federation University Australia is required to provide the Department with student and training activity data. This includes personal information collected in the Federation University Australia's enrolment form and unique identifiers such as the Victorian Student Number (VSN) and the Commonwealth's Unique Student Identifier (USI).

Federation University Australia provides data to the Department in accordance with the Victorian VET Student Statistical Collection Guidelines, available at www.education.vic.gov.au/Documents/training/providers/rto/Victorian_VET_Student_Statistical_Collection_Guidelines_2023_v1.0.pdf

Use of your data: The Department uses student and training data, including personal information, for a range of VET purposes including administration, monitoring and planning, including interaction between the Department and student where appropriate.

The data may also be subjected to data analytics, which seek to determine the likelihood of certain events occurring (such as program or subject completion), which may be relevant to the services provided to the student.

A student's USI may be used for specific VET purposes including the verification of student data provided by Federation University Australia; the administration and audit of VET providers and programs; education-related policy and research purposes; and to assist in determining eligibility for training subsidies.

Disclosure of your data: As necessary and where lawful, the Department may disclose VET data, including personal information, to its contractors, other government agencies, professional bodies and/or other organisations for VET-related purposes. In particular, this includes disclosure of VET student and training data to the Commonwealth and the National Centre for Vocation Education Research (NCVER).

Legal and Regulatory: The Department's collection and handling of enrolment data and VSNs is authorised under the Education and Training Reform Act 2006 (Vic). The Department is also authorised to collect and handle USIs in accordance with the Student Identifiers Act 2014 (Cth) and the Student Identifiers Regulation 2014 (Cth).

Consequences of not providing your information: Failure to provide your personal information may mean that it is not possible for you to enrol in VET and/or to obtain a Victorian Government VET subsidy.

Access, correction and complaints: You have the right to seek access to or correction of your own personal information. You may also complain if you believe your privacy has been breached.
