

Kmart Tyre & Auto Service is the complete one stop shop and a preferred supplier to Smartfleet. We offer a range of servicing options including manufacturer's scheduled logbook servicing, which honours your vehicle warranty. All work is carried out by our qualified technicians, trained to the highest industry standards and covered by our Australia wide guarantee.

We only use quality parts and lubricants from brands such as Ryco, Shell and Champion so you can rest assured that your vehicle is receiving the right treatment every time.

Over 260 company owned stores Australia wide and selected stores now open 7 days.
