## Purpose

This procedure provides an overarching framework for the provision of library services made available to Partner Provider teaching staff and students enrolled at the University Partner Provider campuses/sites. This procedure mandates operational activities, assigns responsibilities and provides practical actions to support the implementation and provision of library services made available to Partner Provider teaching staff and students enrolled at the University Partner Provider campuses/sites.

## Scope

This procedure applies to Federation University Library and its staff who support the learning, teaching and research needs of University enrolled students and the partner provider employed staff who teach or provide services to University enrolled students at Partner Institutes.

## Legislative context

- Federation University Australia Act 2010
- Higher Education Standards Framework (Threshold Standards) 2021
- National Code of Practice for Providers of Education and Training to Overseas Students 2018

## Definitions

Term	Definition
ILMS	Integrated Library Management System
Document Delivery Services	Items sourced from Australian and international library collections and provided to Federation staff and enrolled students that are not held by the University library collection. Federation staff and postgraduate students are eligible for Document Delivery services.
ULANZ	A Library borrowing scheme that allows staff and students of Australian and New Zealand universities to borrow in person from any other participating university library.
LMS	Learning Management System e.g. Moodle

## Procedure statement

Principle	Demonstrated by:
The University provides Federation University enrolled students at partner providers supplementary access to the Federation Library collections, resources and staff as outlined in the CAUL Principles	<ul style="list-style-type: none"> <li>ensuring students have access to academic information sources, electronically or in print, to enable them to meet the academic requirements of units</li> <li>ensuring that the partner library and its staff and collections are able to provide services, facilities and resources to support student learning needs</li> <li>ensuring students have access to information and digital literacy skills development courses and resources</li> </ul>
Partner Providers agree to the provision of a physical service/ space for University enrolled students at their institutes as outlined in the CAUL Principles and the University's Contractual Agreement with Partner Provider teaching locations	<ul style="list-style-type: none"> <li>ensuring students have access to suitable facilities and equipment to support their learning</li> <li>ensuring students have access to relevant textbooks and other key academic resources that are essential to their success</li> <li>ensuring students have access to appropriately qualified staff who are able to support the learning needs of students and manage and maintain a library/ resource centre in accordance with relevant legislation and standards.</li> </ul>

## Actions

Procedure	Responsibility
<p><b>Provision of electronic resources via the University Library website</b></p> <p>Ensure students enrolled at Partner Provider teaching locations have access to:</p>	University Library

<ul style="list-style-type: none"> <li>• Databases (including fulltext journal articles and reference materials).</li> <li>• Electronic journals and books.</li> <li>• Library catalogue.</li> <li>• Digital, information research and learning skills guides and resources.</li> <li>• Learning Resources in the LMS.</li> </ul>
