Purpose

Federation University Australia seeks to provide a learning environment that promotes and values diversity and offers equality of access and opportunity to all.

This document guides decision-making to reduce the impact of significant personal circumstances on students' capacity to study or demonstrate their abilities. It aims to provide a transparent and equitable set of principles that describe the University's approach to supporting students to:

- Progress successfully through their studies without compromising academic integrity or inherent requirements of the program, or
- Access an appropriate deferment, leave or withdrawal option to suit their specific circumstances.

Scope

This Guideline applies to all Vocational Education and Training (VET), undergraduate, post-graduate and Higher Degree Research students of Federation University Australia - both domestic and international students including those studying via third party providers.

Legislative context

- [Federation University Australia Act 2010](#)

- [The Tertiary Education Quality and Standards Agency Act 2011 \(TEQSA Act\)](#)
- [Higher Education Standards Framework \(Threshold Standards\) 2021](#)
- [The National Vocational Education and Training Regulator Act 2011](#)
- [Standards for Registered Training Organisations \(RTOs\) 2025](#)
- [Federation University Australia Statute 2021](#)
- [Federation University Australia \(Students\) Regulations 2023](#)
- [Disability Standards for Education 2025](#)
- [Equal Opportunities Act 2010](#)

Guideline statement

Federation University Australia is committed to:

- Supporting students of all backgrounds and circumstances to participate in the pursuit of learning and university activities
- Fair, consistent and transparent decision-making processes
- Compliance with all legislative, regulatory and reporting requirements

This Guideline provides a set of principles to maximise students' learning and wellbeing through the provision of support options accessed in specific circumstances:

Principle	Demonstrated by
The University protects the confidentiality of information about students	• Ensuring that the student understands the level of disclosure necessary to enable their application to be appropriately addressed • Ensuring that requests for health professional information are limited to information reasonably necessary to assess the student's application, while respecting the student's right to confidentiality and privacy. • Maintaining academic records that contain only necessary personal information for academic purposes • Ensuring that all personal information is kept in accordance with the Australian Privacy Principles and other standards related to health records, where appropriate • Ensuring transparency in communicating what records are maintained, in what format and who has access to them
The University supports deferment of programs and granting of leave from studies across higher education programs	• Allowing deferment and leave from studies from all non-exempted higher education award programs up to a maximum of 12 months in line with the Deferral/Leave from Studies Procedures • Facilitating completion and submission of either deferment or leave from studies applications • Not applicable to VET – VET/TAFE students are encouraged to talk to their teaching staff about their options
The University provides options for all students (H.Ed and VET) to maintain academic progress whilst managing health conditions, disabilities and caring responsibilities	• Encouraging and supporting completion of an Applications for Special Consideration • Encouraging eligible students to register with the Accessibility Services for Learning Access Plan (LAP) development

	• Making reasonable adjustments to study and assessment based on a LAP • Implementing Special Consideration adjustments for assessments • Providing free, confidential counselling and other personal support services • Providing a procedure for Remission of Debt where after census date the student's circumstances result in course failure or late withdrawal • Delivering targeted and supportive academic intervention strategies • Encouraging study plan adjustments such as reduced study loads where appropriate
The University takes a student-centred approach to discussing students' personal circumstances and to assessing and managing adjustments to study	• Proactively suggesting processes to negotiate adjustments • Making Special Consideration processes as streamlined and simple to navigate as possible • Providing guidance to all staff on administrative decision-making
Special Consideration, discretionary assessment extensions, reasonable adjustments or flexible study options must not compromise academic integrity or standards or the inherent requirements of the Program	• Supporting students to plan and manage their study loads in order to meet program requirements. • Facilitating Special Consideration through completed Special Consideration applications where appropriate. • Facilitating reasonable adjustments through Accessibility Services, relevant health professional documentation and/or an approved Learning Access Plan.
The University is transparent in cases where study or assessment adjustments are not possible	• Explicitly stating inherent requirements of Courses. • Explaining reasons for denying adjustments, extensions or special consideration on the basis of academic integrity, standards or inherent requirements.
