## Purpose

To enable the University to respond in a timely, compliant, and sensitive way to the death of a student, whilst endeavouring to minimise distress to the student's next of kin, fellow students, and staff.

## Scope

This procedure applies to all Federation University students and staff and covers student death for the duration of their enrolment at Federation University, including periods of Leave from Studies and lecture breaks. For International Students, this also includes any periods of their student visa where this is outside of the length of their Confirmation of Enrolment.

## Legislative Context

- Statute 5.6 Admission to and Granting of Academic Awards
- Statute 9.1 Fees & Charges (Higher Education Division)

- Privacy and Data Protection Act 2014 (Vic)
- Standard 6 – Student Support Services: National Code of Practice for Providers of Education and Training to Overseas Students 2018
- Higher Education Standards Framework (Threshold Standards) 2015
- The Tertiary Education Quality and Standards Agency Act 2011 (TEQSA Act)

## Definitions

A complete list of definitions relevant to this procedure is contained within the Federation University Health and Safety Policy.

A further list of definitions **specifically** relevant to this procedure is included below:

TERM	DEFINITION
Case Manager	A Federation University staff member appointed by the DVC Academic to lead and direct all actions pertaining to the death (or reported death) of a student
Crisis Management Incident Register	The University's central repository for all record-keeping in relation to crisis management.
Crisis Management Team	A University department with overall responsibility for managing critical incidents and crises involving the University, its staff and students.
Partner Contact Officer	A designated member of staff at a Partner Provider to whom the Case Manager may delegate certain responsibilities under this procedure.
